

## Joining Breakout rooms

Joining a room, leaving a room and rejoining a room

### Joining a room

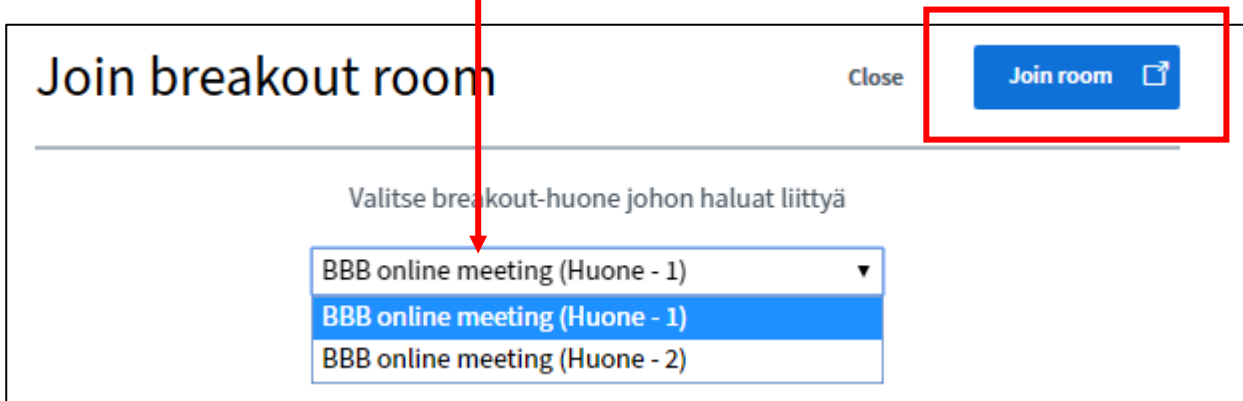

After the teacher has defined the Breakout rooms, a notification will appear in the browser about joining a room. You can join a room by clicking on the button Join room.

### Joining a free-choice room

If the teacher has divided the rooms so that students can choose their rooms themselves. After defining the rooms, there will be a note about joining a room.

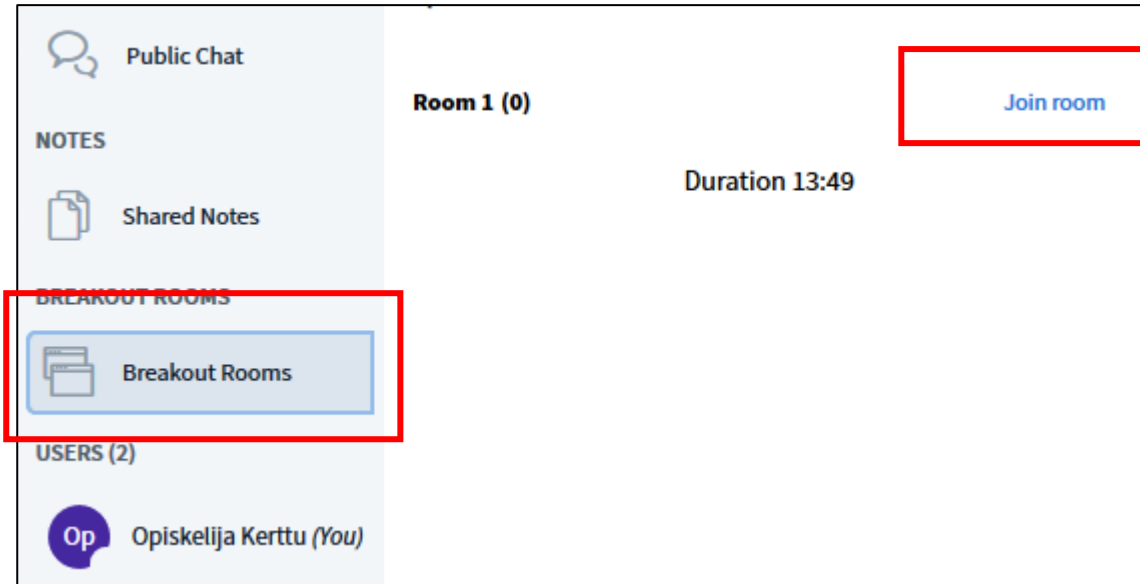

Choose a room by opening a drop-down menu and then click join room -button

## Rejoining a room

If you leave a room by accident, you can rejoin the room.

In the original BBB session, click on **BREAKOUT ROOMS** on the left and then on the link **JOIN ROOM**

Or if the teacher has allowed the students to choose a room freely, you can join the room of your choice.
