

Joining a Big Blue Button session and sound settings (instructions for the Firefox browser)

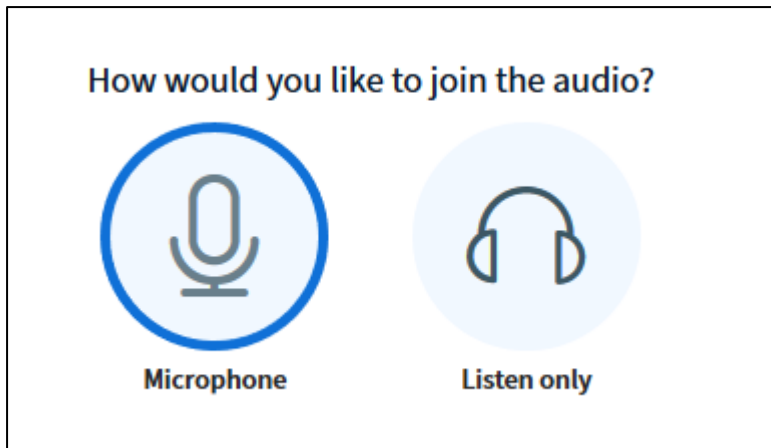

1. Log in the Moodle course to which you add the BBB function.
2. If you use a headset, check that it is connected with the computer. You can also hold a lecture using a laptop's own microphone.
3. Click on the activity of the BB you created

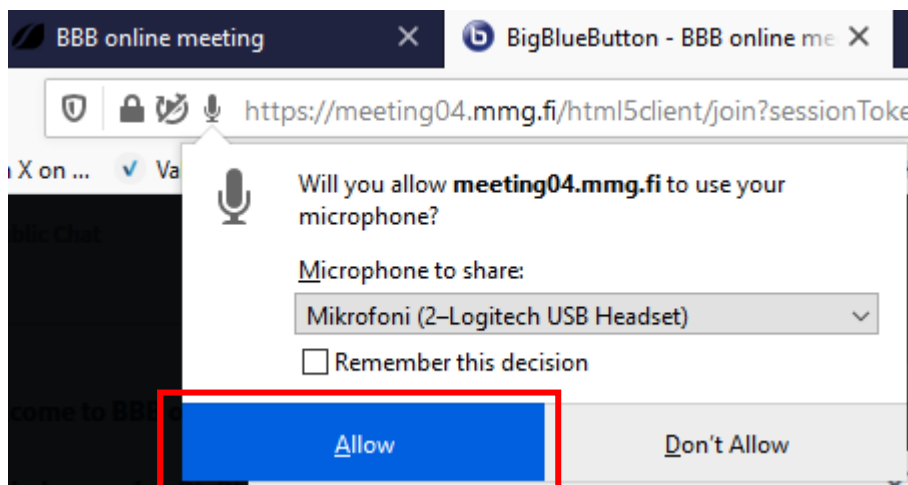

4. Click on the Join session button.

5. Choose the Microphone icon

6. Firefox gives a notification in the top corner whether you allow the use of a microphone **Microphone use must be allowed**

7. Answer Yes

8. The session is ready.
