

Password policy

Password expires every 180 days. You must change your password BEFORE expiration.

Password has to be at least 8 characters long, and must contain characters from following groups (at least 3 groups must be used):

CAPITAL LETTERS (A - Z)

small letters (a - z)

numbers (0 - 9)

special characters (!#%&=?@£\$/)

Do not use Scandinavian characters (ÅåÄäÖö) or special characters not listed above.

Password cannot be same as your 10 previous passwords, and it can not be derived from your name.

Interval between password changes is 24 hours.
