

Joining a Big Blue Button session and sound settings (instructions for the Firefox browser)

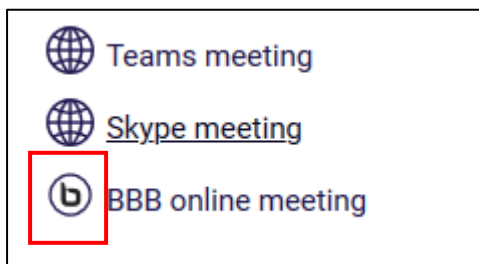

1. Log on the Moodle course in which you wish to join a BBB session.
2. If you use a headset, make sure that it is connected with the computer.os

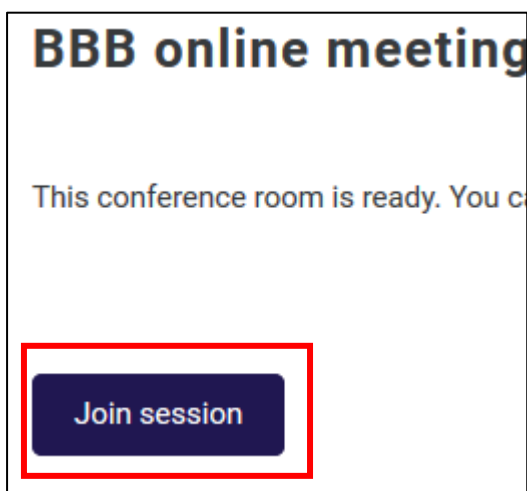

If you use a headset, make sure that it is connected with the computer.

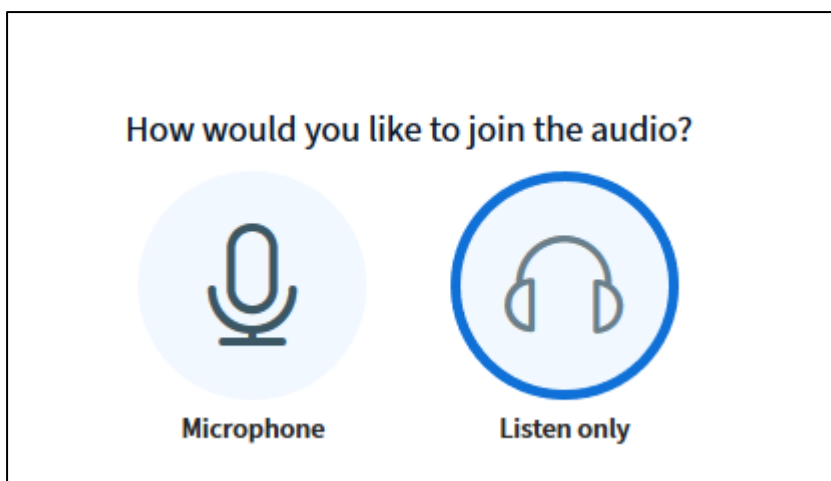

3. Click on the BBB activity on the course.

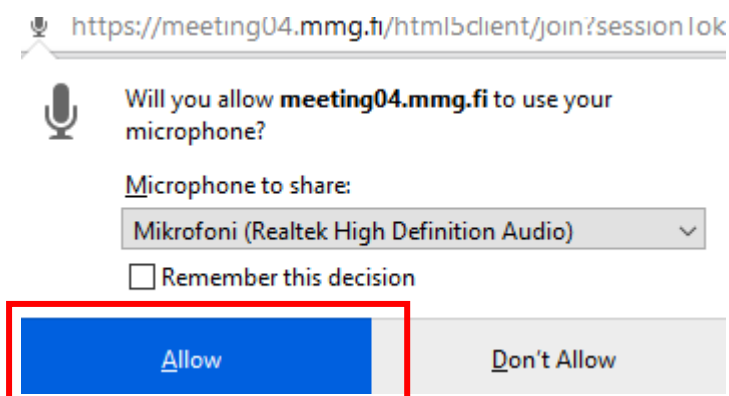

4. Click on the button in a session.

5. If you only listen to the teacher or participate through Chat, choose Listen only.

6. If you also need to talk during the teaching session (Microphone selected in the previous selection) Firefox gives a notification in the top corner whether you allow the use of a microphone – the use of a microphone must be allowed.

7. Answer yes

8. Now you have joined the session.
