UPLOAD

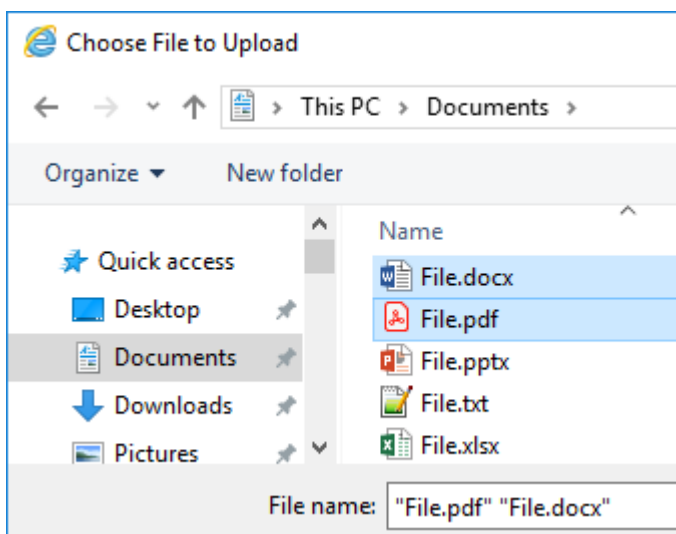

100%

You can drag and drop a file into the browser window - - Voit raahata ja pudottaa tiedoston selainikkunaan

or clicking **SELECT FILES** - - tai klikkaamalla **SELECT FILES**

You can select one or more files - - Voit valita yhden tai useamman tiedoston

The screenshot shows the 'Upload job' screen. On the left is a dark sidebar with a logo at the top and three menu items: 'Dashboard', 'Upload job' (highlighted with a blue bar), and 'Payment'. At the bottom of the sidebar, it says 'YSoft SafeQ 6 (6.0.13.0) Y Soft Corporation, a.s.'. The main content area has a title 'Upload job' and a green '+ ADD FILE' button. Below that, it says '2 Print jobs ready to be uploaded' with a cloud icon. Two file entries are listed: 'File.pdf 0.0B' and 'File.docx 0.0B'. Each entry has two checkboxes: 'Black and white' and 'Duplex', both of which are currently unchecked. At the bottom of the main area, there is a blue button labeled 'UPLOAD (2)' which is circled in red.

This screenshot shows the 'Upload job' screen after the files have been uploaded. The sidebar is identical to the previous screenshot. The main content area now shows '0 Print jobs ready to be uploaded' with a cloud icon. The two file entries, 'File.pdf 0.0B' and 'File.docx 0.0B', now each have a green checkmark icon followed by the text 'Job uploaded'. The blue 'UPLOAD (2)' button from the previous screenshot is now a greyed-out button labeled 'UPLOAD'.

The files are now in the print queue -- Tiedostot ovat nyt tulostusjonossa
