

How to change password

School's computer

You may change your password at school by pressing **Ctrl + Alt + Delete (Del)** from the keyboard and selecting "**Change a password...**" from the list.

E-mail (Outlook Web Access)

1. Log in to school's e-mail (<https://mail.epedu.fi/owa>)
2. From top right corner, select **Options**
3. Select **Change Your Password...** from the list
4. Type your current password to **Old Password** field and your new password to **New Password** field, type new password again to **Confirm New Password** field
5. Press **Save** to finish
