

How to use the intranet outside EPEDU network

Intranet can be found in the following addresses:

Vocational Education Centre Sedu and Vocational Adult Education Sedu

<http://intra.epedu.fi>

Seinäjäki University of Applied Sciences

<http://intra.seamk.fi>

When signing in to intra outside EPEDU network write your username with EPEDU\ prefix. For example:

EPEDU\n1234567

or

EPEDU\k1234567

Write your password normally without EPEDU\ prefix.

When using the EPEDU network, Internet Explorer browser logs you in automatically with the username and password used when logging into the computer. Other browsers require logging in before you can use intra.
